## Parking Zone Extension Consultation to Begin Soon In Your Street

If you are reading this newsletter you will be hearing soon from Lambeth Council about plans to extend a Controlled Parking Cone (CPZ) to YOUR ROAD (see map overleaf).

Your elected Conservative Councillors - Irene, Clare, and John - have listened to views from local residents – many are in favour although some have reservations.

The decision on implementing the CPZ in a particular road will rest with LOCAL RESIDENTS who will have two key choices on which to vote in the mini local referendum:

1. Are you in favour of a CPZ or against?
2. If you are in favour what hours of operation are best?

John says: "In the most recent CPZ in West Clapham residents voted to have the CPZ operating for **two hours a day** only. This stops commuter all-day parking but makes it easier for local people with visitors or trades people calling."

The CPZ was due to go out to consultation last year but delays over funding that were outside the control of the Council resulted in a hold up. If any local resident would like a copy of the internal Lambeth Council document about the roll out of the CPZ please contact John using the contact details above.

## What Will It Cost Me to Park My Car?

Residents parking in Controlled Parking Zones (CPZs) in Lambeth currently pay £60 a year to park their cars near their homes. They need to buy visitor parking permits for friends or relatives from the Council, which currently cost £3.50 per day.

The Conservatives have pledged to FREEZE the cost of the parking permit for four years if re-elected on May 4<sup>th</sup>. "There is a clear choice here," says Irene. "None of the other parties have said they will keep the residents parking permit at £60."
